SG CARE+ is our bundled suite of support programs built to keep your technology running, no matter where or when issues arise. From same-day emergency response to scheduled rollouts and preventative maintenance, SG CARE+ gives you full coverage across all your locations.

Whether you're planning ahead or reacting fast, our nationwide dispatch network is ready to deploy, keeping your stores online, your devices connected, and your teams supported.

We offer flexible pricing structures including on-demand rates or traditional monthly service contracts (MRC), making it easy to align with your operational and budgeting needs.
