

In-Store Transaction Terminal Expertise

RETAIL CASH WRAP, POS OR MPOS

Our cash wrap resources aren't just repairmen - they're retail insiders. With decades of frontline store expertise, our field teams understand the power of frictionless POS and use their talent and tools to strategically empower your success. Imaging, deployment, upgrade or replacement solutions allow us to keep your front-of-house in order.

We work with top-tier OEM's like Verifone, Ingenico, NCR, Square, Zebra, HP and many more. We're built for PCI-DSS, EMV, IEEE 802.11, ISO 8583 and nearly every serial standard solution at the cash-wrap. Whether it be retail, restaurant, cloud-based, scanners, printers, self-checkout solutions or monitors and all-in-ones. Our lives are behind, cash wraps, pinpads and transaction counters at retailers and QSRs across all of America! Your wired and wireless POS needs SG.
